Africa's democracy: is the environment enabling or disenabling?

The Southern Africa Trust, TrustAfrica and other partners invite you to a public dialogue and launch of (Dis) Enabling the Public Sphere: Civil Society Regulation in Africa (Volume 1); and the State of the Union: South Africa report.

(Dis) Enabling the Public Sphere: Civil Society Regulation in Africa (Volume 1) is a book which analyses the legislative and regulatory environment of civil society organisations operating in the African continent.

The State of the Union South Africa report analyses South Africa's compliance with selected key African Union instruments.

Join a panel of great minds for this launch that will propel Africa along a rapid path of pro-poor development.

Venue: Southern Sun Hotel, Pretoria

Date: 23 February 2011

Time: 11h30
